

Supporter reference 1569499

09 September 2022

Dear all at Motorhomefun

Thank you for helping us put the brakes on prostate cancer by revving up your engine and raising a fantastic £1,872.50 Today you're standing on top of our podium, holding a bottle of champagne!

Your generous donation will enable us to get underneath the bonnet of prostate cancer once and for all, helping the many petrolheads and their families that are affected by this disease.

Once again thank you so much for your support.
