

JUST SO YOU KNOW

WE DON'T NORMALLY DIAL 999,
BECAUSE IT IS SO MUCH EASIER
AND A WHOLE LOT QUICKER,
JUST TO USE A 9mm
BERETTA 92FS.

better, fitted with laser cut

Be very aware that, this householder, was the NRSA
20 metre Single Action Pistol Champion, 2007 & 2009.

*Even 10 years on, he is still a good enough shot,
to be able not to kill, but instead just cripple you.*

So, your best bet is to leave now.
